NINTENDO SWITCH™

CREATE. EXPLORE. SURVIVE.

Minecraft is a game about placing blocks and going on adventures. Build anything you can imagine with unlimited resources in Creative mode, or go on grand expeditions in Survival mode, journeying across mysterious lands and into the depths of your own infinite worlds. Will you hide from monsters or craft tools, armor, and weapons to fight back? No need to go alone! Share the adventure with friends in split-screen multiplayer* and online***!

With constant updates and community creations, Minecraft is bigger, better, and more beautiful than ever before. Explore amazing player-made maps, thrilling mini games, and more! Band together with friends playing on phone, Windows 10 or console, set up your own online world with Realms**, or join one of the massive player-run servers! There are so many ways to play!

Key Features:

- Discover community creations in the new in-game store
- Access new mini games and game modes through Servers
- Share the couch with four player split-screen*
- Play on the go in handheld or tabletop modes
- Includes Super Mario Mash-Up, Natural Texture Pack, Biome Settlers Skin Pack, Battle & Beasts Skin Pack, Campfire Tales Skin Pack

* Additional accessories may be required for multiplayer mode. Sold separately.

** Realms requires paid subscription (sold separately). Realms and servers available as released.

*** Nintendo Account required. Online services and features, including online play, are free until the paid Nintendo Switch Online Service launches in September 2018.
